“... wondering in his darker moments what Sally would say about that project when she heard of it, and he had hoped that she would not hear of it until all the preparations were so complete that interference would be impossible. He was extremely fond of Sally, but there was, he knew, a lamentable ...”

*P. G. Wodehouse  
– The Adventures of Sally*

## Removing functional words

“... wondering in his darker moments what Sally would say about that project when she heard of it, and he had hoped that she would not hear of it until all the preparations were so complete that interference would be impossible. He was extremely fond of Sally, but there was, he knew, a lamentable ...”

*P. G. Wodehouse  
– The Adventures of Sally*

# Lemmatization

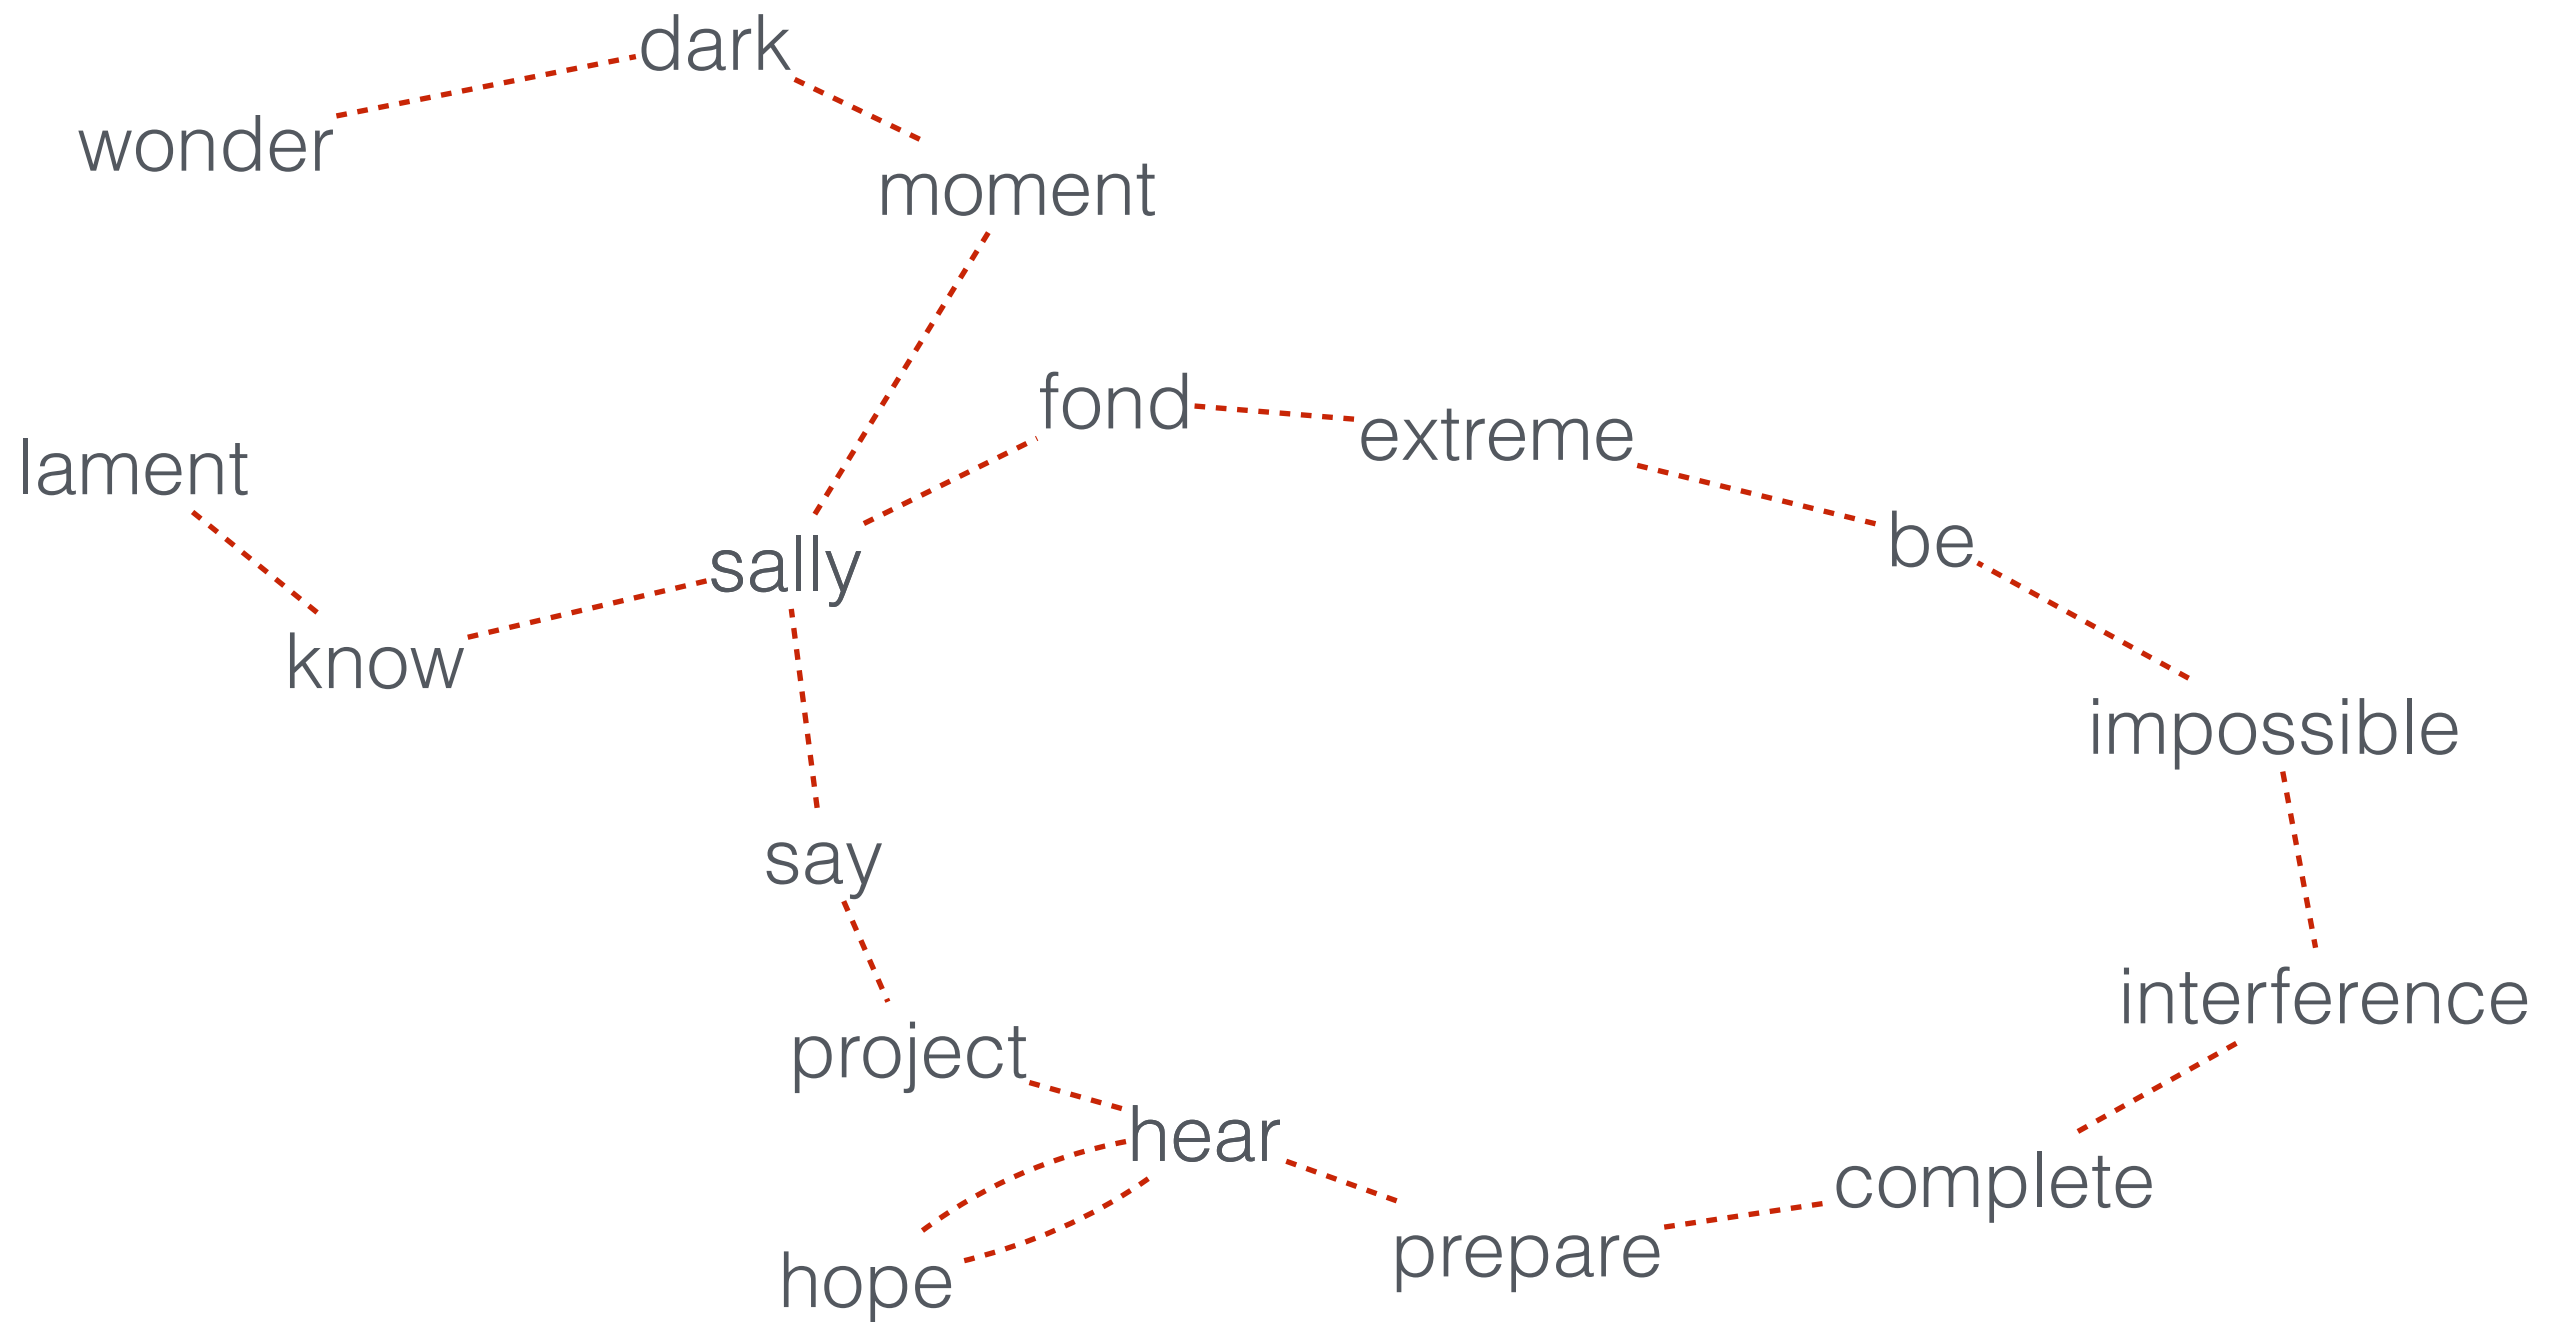

“... wondering in his darker moments what Sally would say about that project when she heard of it, and he had hoped that she would not hear of it until all the preparations were so complete that interference would be impossible. He was extremely fond of Sally, but there was, he knew, a lamentable ...”

*P. G. Wodehouse  
– The Adventures of Sally*

wonder dark  
moment sally say  
project hear  
hope hear prepare  
complete interference  
impossible be extreme  
fond sally know  
lament

wonder dark  
moment sally say  
project hear  
hope hear prepare  
complete interference  
impossible be extreme  
fond sally know  
lament
